Busy Breakfast at EES

Pictured above is a representative sample of the over 300 students that are routinely taking advantage of the new breakfast option. Breakfast service begins at 7:25 am and usually the cafeteria is full to capacity by 7:55 am. At this time students are allowed to get a "breakfast on the go" and take their meal to their homeroom class. A shout out to our cafeteria staff for providing this service to our students!

Snack Feeding Frenzy

Pictured above EES students demonstrate leadership by filling snack orders for their respective classrooms. GHS student, Brittany Ballew, oversees the operation and helps to ensure accountability. In a matter of 15 minutes snack can be delivered to all EES classrooms.

Community Connection

Shane's Spirit night was a huge success. 4th grade teachers hosted the event this month and were rewarded with \$183 at the end of the night. Although all 4th grade teachers attended and worked in support of the event, pictured above are Ms. Dilworth, Mrs. Kruger, and Mrs. Vautrot. In the true spirit of teacher multitasking, these ladies worked on lesson planning while greeting guests from our community.

Flashlight Friday

4th grade students are very motivated to read this year. Pictured both above and to the right, Mrs. Vautrot's students are reading chapter books as part of their 40 book challenge. Students can be seen reading all over EES. It's Flashlight Friday Reading!

Tech Tip

Worried about what your child might view on YouTube? Scroll all the way to the bottom of the first page and turn the RESTRICTED MODE to "ON". This will help make viewing for your child a much safer experience.

Not Only Our Kids Are Growing...

Check out the pumpkin patch in the front of EES. Early this summer a vine (thought to be related to last fall's pumpkin display) was discovered in our front flower bed. Plans are being made to incorporate this into our Fall theme. The growth of the pumpkin vine makes me think of our student's growth...under just the right conditions they will flourish. I look forward to seeing both our pumpkins and our students grow this season!
