## Family Reading Night

On Thursday October 26th, EES celebrated reading at Family Reading Night. Five teachers read stories aloud to students, parents learned lots about GALILEO, the wonderful online research and reading database, and the opportunity to just grab a book and read with your family was available. Pictured above is Mrs. Lynne Barnes reading to a group of students.

## School Picture Update

Proofs from school picture proofs have been distributed and EES will be collecting money for these until November 10th. Please remember that the proofs must be attached to your order to ensure that the picture company is able to complete orders with accuracy. If you would like to have your students picture made on retake day, please send a message to your child's teacher. Picture retake day is November 1st.

## Title I Meeting With Language Support

Mrs. Lupita Stephens and Mr. Carl Day hosted a morning Title I meeting to deliver the information in Spanish in order to provide equal access to all our EES families. We are very appreciative to the large group of parents who attended. Pictured above, Mrs. Snider provides a demonstration of some of the math strategies that teachers are using in their classrooms.

## EES Book Fair is a Success

Our annual Fall Scholastic Book Fair was a great success! Parent volunteer participation was the best we have ever seen and was instrumental to our success! Thank you to everyone who helped, came in early to shop with their child or sent in money to allow their child to purchase books!

## Tech Tip

### Kahoot!!!

Want your kids to be engaged? Try Kahoot! This computer program can help you give a pre-test, post-test or just review an area you are studying. You can search for premade materials or make your own! It will keep your students engaged in the lesson or review, and they will think they are just playing a game!

## Safety Inspection Gets Action

Thank you to the EES School Safety Team that works diligently to ensure our campus is safe and secure for students, staff, and visitors alike. One concern noted in our most recent School Safety Inspection was faded parking lines, crosswalk designations, and handicapped parking markings. As a result, new striping has been added to increase safety and accessibility for all.

Upcoming Dates...

10/30...Red Ribbon Week...Wear Red Day
